About LexisNexis

LexisNexis is the leading provider of Australian and international news, business and legal information products and solutions to a wide range of professionals in the legal, risk management, corporate, government, law enforcement, accounting and academic markets.

We are a division of Reed Elsevier, one of the world's leading publishers and information providers with a strong suite of globally recognised brands. Reed Elsevier operates in 4 major market sectors; science and medical, legal, education and business.

At LexisNexis, our future lies in the development of innovative information partnerships. This is achieved through close relationships with our customers, authors, suppliers and the application of our skills and technology to develop information solutions. To learn more about LexisNexis, please visit the website at [www.lexisnexis.com](http://www.lexisnexis.com).
