ADMINISTRATIVE LAW

Administrative Appeals Tribunal – 2nd Edition

Recently Published

Dennis Pearce

Written by Australia's leading authority on the Administrative Appeals Tribunal (AAT), this second edition gives a detailed exposition of the jurisprudence of the AAT, its jurisdiction and procedures. The author also provides critical consideration of the future of the AAT and its effect on government decision-making. The relevant sections of the Administrative Appeals Tribunal Act 1975 (Cth) and the Practice Directions made by the AAT are included in the book.

Soft Cover ISBN: 9780409324051 • Price \$180.00 • Publication Date: July 2007

BUSINESS AND COMMERCIAL LAW

Law of Agency – 2nd Edition

Due June 2008

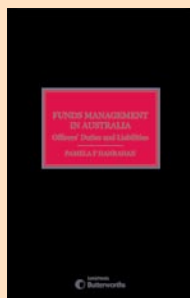

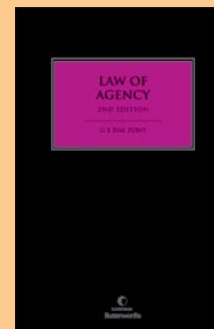

Special Pre-publication Offer!

Gino Dal Pont

A high level reference book which is part of the LexisNexis Black and Silver hard cover series, *Law of Agency* contains all you need to know about the law of agency in one comprehensive volume. The work takes you through the law of agency as it relates to tort, equity, company law, partnership law, banking law, professional responsibility, insurance law and powers of attorney. The author has further developed the definition of agency in this second edition and has included additional material on liability of principals for agent's torts.

Hard Cover ISBN: 9780409324365 • Price \$269.00 • Publication Date: June 2008

Order before 30 April, 2008 and receive the special pre-publication price of \$255.00.

Funds Management in Australia: Officers' Duties and Liabilities

Recently Published

Pamela F Hanrahan

This new work identifies and explains the bases on which directors and other officers of Australia's commercial funds management companies are made accountable for the management and conduct of the company's funds management operations. The text discusses these duties and liabilities in relation to the most significant forms of commercial funds management in Australia including; registered managed investment schemes, wholesale unit trusts and investment pools, public offer superannuation entities, investment linked life insurance, investment companies, and individual investment mandates.

Hard Cover ISBN: 9780409323610 • Price \$210.00 • Publication Date: October 2007

Probity and Managing Procurement: How to Avoid Corrupting the Process

Recently Published

James Box & Michael Forde

This authoritative reference book is a practical and essential text for legal and probity professionals, buyers, suppliers, project managers and consultants exposed to procurement processes. The text will assist those involved in procurement to understand the statutory, policy, and good practice requirements of probity and ethics in both the public and private sectors. Of particular relevance is a detailed discussion of the role of probity consultants and the nature of their duties.

Hard Cover ISBN: 9780409324075 • Price \$180.00 • Publication Date: October 2007

CIVIL & POLITICAL RIGHTS

Australian Bills of Rights: The Law of the Victorian Charter and ACT Human Rights Act

Due February 2008

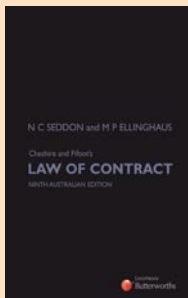

Carolyn Evans & Simon Evans

This new authoritative work guides the reader through the complex statutory provisions in the Australian human rights Acts, and provides detailed analysis of the key issues. Since Victoria and the ACT have become the first two Australian jurisdictions to introduce human rights Acts, this text is invaluable in helping lawyers, government agencies and all those whose rights are protected to rethink the role of human rights in law and government action.

Soft Cover ISBN: 9780409324549 • Price \$95.00 • Publication Date: February 2008

CONTRACT

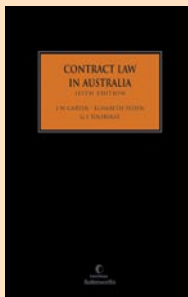

Cheshire and Fifoot's Law of Contract – 9th Edition

New Edition

N C Seddon & M P Ellinghaus

This ninth edition presents a lucid, comprehensive, up-to-date and authoritative guide to Australian contract law. It gives a full description of important legislation enacted since the 2002 edition, including legislation on proportionate liability and contributory fault affecting misleading conduct as well as contract claims. It also takes into account all relevant decisions of the High Court and of senior appellate courts in the States and Territories in that period, as well as numerous other significant decisions.

Hard Cover ISBN: 9780409323702 • Price \$250.00 • Publication Date: January 2008

Contract Law in Australia – 5th Edition

Recently Published

J W Carter, Elisabeth Peden & G J Tolhurst

In its fifth edition and 21st year, *Contract Law in Australia* continues to be the most authoritative Australian resource available for practitioners who need to stay abreast of the latest thinking in the area. In keeping with developments in practice, this edition has been extensively redesigned to promote ease-of-use and navigation. New chapters on good faith and assignment of contractual rights reflect the importance of these areas in Australian law. The book provides clear explanations of all recent case and legislative developments including High Court decisions on construction of contracts, and unfair terms legislation.

Hard Cover ISBN: 9780409323597 • Price \$260.00 • Publication Date: February 2007

Unjust Enrichment

New

K Barker & R Grantham

The objective of this book is to enable practitioners to gain a full understanding of the law of restitution and its place in the wider law of civil obligations. To this end, the book contains extracts from important cases as well as extracts from the writings of leading scholars. Explanatory text, notes and questions accompany the extracts which provide a stimulating and insightful guide that will leave readers with a thorough doctrinal and practical understanding of the law of restitution.

Soft Cover ISBN: 9780409323078 • Price \$115.00 • Publication Date: January 2008

CORPORATIONS

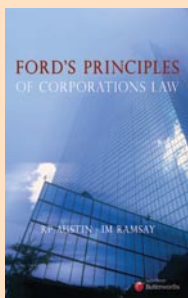

Australian Corporations Legislation 2008

New

LexisNexis Editors

In one consolidated volume, *Australian Corporations Legislation* is one of Australia's most respected references on corporations legislation. Well-known for its extensive and accurate coverage, this is the must-have resource for all of your corporations legislation needs. The 2008 edition provides easy to find, shaded editorial notes which in addition to cross referencing the Corporations Act and ASIC Act with the Regulations and ASIC forms, now cross references the Corporations Act with the ASIC releases (regulatory guides and class orders).

Soft Cover ISBN: 9780409324891 • Price \$70.00 • Publication Date: January 2008

Ford's Principles of Corporations Law – 13th Edition

Recently Published

R P Austin & I M Ramsay

Written by leading experts in corporate law, the thirteenth edition of this classic text is an indispensable resource for practitioners. This text offers the reader: expert commentary that provides an authoritative explanation of relevant principles; comprehensive treatment of corporate law principles, cases and legislation; and inclusion of recent legislative change and case law to ensure the most current information. This edition also includes important decisions from the Takeovers Panel, legislative reform to correct the liability of corporate trustee directors, and important developments relating to accounting standards.

Soft Cover ISBN: 9780409323634 • Price \$135.00 • Publication Date: January 2007

DISPUTE RESOLUTION

Conflict Management: A Practical Guide – 3rd Edition

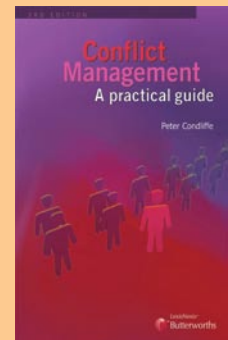

Due May 2008

Special Pre-Publication Offer!

Peter Condliffe

This book provides the reader with an outline of the range of essential skills necessary to be a successful conflict manager. It reinforces this outline with a range of exercises, questions and role plays which are not only useful to group leaders and teachers but to practitioners in various disciplines. The book takes a positive approach to conflict as a potentially creative and dynamic stimulus to interpersonal and group relations.

Soft Cover ISBN: 9780409324716 • Price \$82.00 • Publication Date: May 2008
Order before 30 April, 2008 and receive the special pre-publication price of \$78.00.

FISHERIES LAW

Fisheries Law in Australia

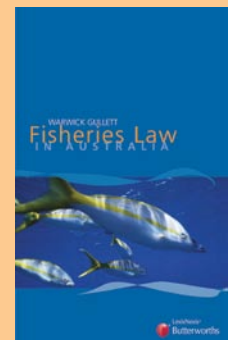

Due May 2008

Special Pre-publication Offer!

Warwick Gullett

Fisheries Law in Australia provides a clear account of the key areas of law that shape the present highly-complex regulatory environment in which commercial and recreational fishing takes place. The complicated jurisdictional arrangements that have evolved for the management of marine areas is discussed, together with the regulatory mechanisms used to manage fishing activities, legal recognition of indigenous fishing rights, the increasing impact of environmental legislation, and the impact of international law on measures to protect Australian marine resources from illegal foreign fishers.

Soft Cover ISBN: 9780409320916 • Price \$99.00 • Publication Date: May 2008
Order before 30 April, 2008 and receive the special pre-publication price of \$94.00.

INTELLECTUAL PROPERTY

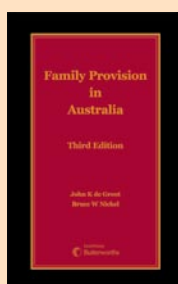

Butterworths Intellectual Property Collection 2008

New

The *Butterworths Intellectual Property Collection* is an annual collection of legislation and treaties relevant to the study and practise of intellectual property. The 2008 edition includes amendments to relevant legislation as of 1 January, 2008.

SUCCESSION

Family Provision in Australia – 3rd Edition

Recently Published

John K de Groot & Bruce W Nickel

This work is an easy-to-use, practical guide detailing the practice and procedure of family provision law on a state-by-state basis. The text incorporates a comprehensive checklist, case tables, forms, precedents and a reproduction of state and territory family provision legislation. The new edition expands the class of particular applicants and includes more detailed case tables summarising judicial decisions for each class.

Hard Cover ISBN: 9780409323948 • Price \$210.00 • Publication Date: August 2007

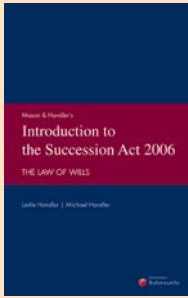

Construction of Wills in Australia

Recently Published

David M Haines QC

Construction of Wills in Australia provides a simple guide to the manner in which rules of construction should be applied in Australia. It contains a detailed discussion of the nature of gifts, both land and personal property, gifts to donees including class gifts, together with various other aspects of the law of construction of wills including particular rules relating to beneficial interests, failure of gifts and charitable trusts.

Soft Cover ISBN: 9780409320954 • Price \$165.00 • Publication Date: August 2007

Mason & Handler's Introduction to the Succession Act 2006 – The Law of Wills

Due February 2008

Leslie Handler & Michael Handler

Following the first stage of the national uniform succession laws project, the Succession Act 2006 is due to commence on 1 March, 2008. The Act makes some of the most significant changes to the law of wills in NSW since the introduction of the Wills Probate and Administration Act 1898 and repeals, with minor exceptions, the provisions of the 1898 Act relating to wills. The book provides an annotated version of the Act and concise and informative commentary on the fundamental principles and issues arising under the Act.

Soft Cover ISBN: 9780409324525 • Price: \$95.00 • Publication Date: February 2008

TAXATION

Tax Risk Management

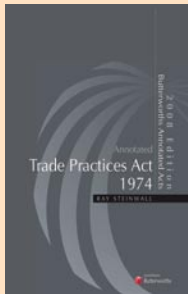

Recently Published

Ernst & Young

Written by leading industry practitioners led by Ernst & Young, *Tax Risk Management* is a practical book on this emerging and increasingly important area for companies and advisers. Expert commentary includes how to build a tax risk management framework, tax disputes and audits, high risk areas such as mergers and acquisitions, and tax risk management from a corporate perspective.

Soft Cover ISBN: 9780409324020 • Price \$120.00 • Publication Date: September 2007

TRADE PRACTICES

Butterworths Annotated Acts: Trade Practices Act 1974 – 2008 Edition

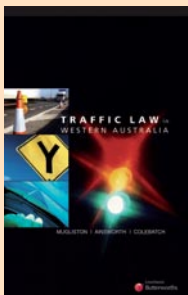

New

Ray Steinwall

With a currency date of 1 January, 2008 this comprehensive annotated text contains all the trade practices legislation necessary for the practitioner and anyone requiring or providing advice in the area of trade practices law. Written by highly respected trade practices lawyer and academic, Ray Steinwall, this authoritative work provides clear, concise and expert commentary on trade practices legislation and case law including unreported judgments; in one cost-effective and portable volume.

Soft Cover ISBN: 9780409325515 • Price \$105.00 • Publication Date: February 2008

TRAFFIC LAW

Traffic Law in Western Australia

Recently Published

Patrick Mugliston, Stuart Ainsworth & Hal Colebatch

Traffic Law in Western Australia provides commentary on the Road Traffic Act and other relevant legislation. The book sets out the basic principles from the time of an offence through to sentencing and appeal. Every aspect is outlined in chronological order with the implications of legislation explained and case law developments discussed.

Soft Cover ISBN: 9780409323368 • Price \$95.00* • Publication Date: October 2007
