LawNow Plus™ Legislation Citator

LawNow Plus is your all new & comprehensive legislation solution. It provides comprehensive coverage of full text legislation with a fully integrated Legislation Citator.

This customer-driven innovation is available now and exclusively on Lexis Advance®, the online research platform from LexisNexis®. A refreshingly intuitive and streamlined solution, LawNow Plus anticipates all your legislation research needs.

What's in it for you?

- Designed for the way you work, simply and efficiently**
 Access the Legislation Citator directly from the text of the legislation to match your workflow and provide you with a report exactly when you need it.
- Gain instant clarity...**
 Each Act and Provision has its own cleverly structured citator report – consolidating LexisNexis references, cases citing and a legislative history. Each report follows the same clean design so you can get to the information you need more quickly and easily.
- ...And turn insight into immediate action**
 Citator reports provide an immediate answer or access to an act as a consolidated springboard to target further information.

Gain a competitive edge

The Analytical Materials section lists all the LexisNexis® publications that cite the legislative item. Even if you don't subscribe to the referenced material, you will still be able to see what is available – levelling the playing field for you!

Benefit from accuracy of research with clever content and smart technology

The content is prepared by running extraction scripts over marked up LexisNexis content repositories behind-the-scenes and by inserting citator links using HPCC technology (big data). This innovative approach produces clever content, improving accuracy of research.

Two citators, one complete research solution

With LawNow Plus™ on Lexis Advance® alongside CaseBase Case Citator, take full advantage of the power of the search technology that LexisNexis next generation online platform has to offer! These two citators work together seamlessly, providing you with the most comprehensive legal research experience.

How does this work?

The Cases section displays a list of cases citing that provision or Act. We use the editorially generated content from CaseBase to power LawNow Plus™: With seamless links available when you also subscribe to CaseBase and Full Text, the list can be fully sorted and is aligned with CaseBase sort mechanisms to ensure your research experience is simple, intuitive, and reassuringly familiar.
