TOP 10 LEXIS ADVANCE[®] FEATURES

1

The red search box that does so much for you

Search across all available content or select the specific source(s) you want to search. Retrieve source documents with a single click. Access full-text documents using the citation or case name. Search using plain English or use the terms and connectors you are comfortable with.

2

Powerful searching uncovers just the facts you need

By utilising Lexis Advance's powerful Advanced Search Forms, you can navigate straight to the most relevant **results**. Focus your research via the specialised advanced search fields – such as Catchwords, Judge, Court, and others – and be taken to the results you are after. Alternatively, start more broadly using the single search bar, and narrow down to the results you need using a wide range of filter options. You can even save the filter combinations and advanced searches that you use the most.

3

Your homepage enables you to search your way

Enjoy easy access to your history, recent searches and documents, folders, favourites, and alerts, enabling you to customise where you want to start.

4

Online folders that increase your effectiveness

Save what's important to you in online folders – documents, text, even search parameters and results. Annotate documents and highlight text before saving. Plus you are notified automatically if folder documents have changed.

5

Copy and paste made easy

Save time with the ability to paste hyperlinks directly into an email or document and feel confident knowing that you can access the source.

6

CaseBase[®] enhancements

Browse using catchwords to find cases relevant to your facts and issues in CaseBase Browse. For Lexis Advance[®], we have also added browsing by court to allow you to quickly check recent decisions of a particular court.

7

Review your research – history list and research map

Resume past research without missing a beat. Your search history, search terms, documents, sent emails and other activities are automatically saved in your history for up to 90 days. Review your history as a list or choose a graphical map view where you can retrace your search, refine it, compare results and find additional, similar documents.

8

Mobile access that doesn't require an app

Choose your mobile device – smartphone, tablet or laptop. Lexis Advance screens automatically adapt to fit your device.

9

Streamlined user management with My Lexis[™]

My Lexis is a user-friendly interface that enables you to manage your own information, track changes and activities. A second level of access is available for administrative users for streamlined user creation and management across your organisation.

10

Improve your visibility on billing information with PowerInvoice[™]

PowerInvoice brings comprehensive LexisNexis billing data and invoice images to your desktop. With secure online access, LexisNexis[®] legal research billing has never been easier. PowerInvoice maintains 12 months of billing information and 24 months of invoice images.
