

Mobilise your looseleaf library
With LexisNexis® Red™

The future of legal information, here today

LexisNexis Red is a reliable, intelligent and convenient referencing tool giving you access to your looseleaf services via iPad and Windows PC.

Confidently mobilise your research knowing that your services are updated automatically, accessible 24/7 and at your fingertips when you need them the most.

Ready when you are...

<p>Personal – annotate sections, highlight, copy and paste, all from your iPad and Windows PC.</p>	<p>Efficient – save time updating your looseleaf content. Titles are updated automatically via a content delivery system as soon as you go online.</p>
<p>Mobile – effortlessly carry your looseleaf library from your office, to your home, the courtroom or wherever you need to go.</p>	<p>Flexible – Access a broader range of titles through e-lending.* Borrow titles only when you need them, ensuring you always have the most relevant information at your fingertips.</p>
<p>Reliable – regular content updates and automatic syncing of your annotations to our server (the Cloud) will give you the confidence that you are providing clients with the most up-to-date legal knowledge and information available.</p>	<p>Convenient – 24/7 access to your firm’s library.* Borrow, request and return titles by logging onto the web portal any time of the day.</p>

*e-lending is available if your firm has a loan subscription account type.
