

A close-up photograph of a financial document. The document features a line graph with a fluctuating line and a table with columns and rows. A silver pen with a gold nib is positioned diagonally across the bottom right of the document. The background is a light blue and white color scheme.

Nexis®

Gain insights before your competitors do.

Access the world's largest collection of authoritative news, company, market, regulatory, legal and biographical information.

Nexis® is an aggregated search solution that covers local and international daily news and business information from major markets around the world, including Australia, New Zealand, Asia-Pacific, United Kingdom, Europe and North America.

Gain insights before your competitors do

Nexis® is an aggregated search solution that covers local and international news and business information from major markets around the world, including Australia, New Zealand, Asia-Pacific, United Kingdom, Europe and North America.

Our 35-year heritage of innovation and excellence in the information market provides you with the confidence that comes from working with one of the world's leading information providers. Now with new menu options for Australian, Asia-Pacific and International content, we bring more relevant information to your business.

Benefits of using Nexis®

Increase revenue and identify new opportunities.

Use information more effectively across your organisation to research new markets, discover business opportunities, track competitors and manage your reputation.

Control costs. Save money by consolidating multiple subscriptions to outside publications and only pay for the sources your business needs to access.

Improve confidence in your business decisions.

Base your decisions on authoritative content: the content on Nexis® is supplied by the world's leading publishers.

Manage risk. Demonstrate due diligence and guard against legal or regulatory failure by researching your customers, suppliers and partners.

Improve your return on investment. Add value to existing information services by integrating Nexis® into your intranet.

"Nexis is an integral part of our research resources. The content is authoritative and current. It is intuitive to use, and is very reliable."

Gabby Lyndon

Reference Librarian, Victoria Productivity Commission
