

## PCLaw Plus

Manage your practice  
from one system

**Save time, improve profitability and boost client satisfaction** with a total solution for your law firm that integrates practice management software, precedents and research.

Once your software has been expertly installed, you continue to get the most from your solution with industry leading support and software updates. All this is included in your subscription, so budget planning is easier.

### Streamline your work day

Focus on providing quality service and developing your business. **PCLaw Plus** is more than just a back office accounting and billing system. It provides a complete and affordable framework that combines practice management software, precedents and online research tools into a single solution. The advanced features of **PCLaw Plus** enable you to:

- be sure you're drawing on the most reliable and up-to-date information to service your clients
- stay ahead of the competition
- improve profit with accurate time recording and integrated billing that helps you to process client payments quicker and reduce billable time leakage
- improve efficiency with safe custody, the hassle-free way to file, store and find documents
- avoid having to learn how to use multiple systems
- remain compliant and reduce anxiety when managing trust accounting
- save time and reduce errors with document and ledger automation
- be confident that your practice's client communications will be accurate and consistent.

streamline  
**integrated**  
boost profitability  
all-in-one  
solution

"It's an all-in-one solution that is easy to use. I don't have to worry about working with three different providers."

Angelo Bonura,  
Bonura Legal

# PCLaw Plus

## Experience the LexisNexis advantage

### All-in-one Solution

Manage your entire practice from one system with a combination of practice management software, precedents and research content.

### Integrated Research

Reduce the amount of time spent on research whilst maintaining your firm's reputation by accessing the most trusted legal publications in Australia.

### Precedents and Document Automation

Eliminate errors with the auto fill feature. Forms and precedents are populated with information, such as client and firm details, extracted from a matter.

### Help and Support

Obtain peace of mind with the inclusion of installation, training, software updates and telephone support in your subscription.

Your annual subscription to **PCLaw Plus** includes:

- Software licence/s
- Software version and precedent updates
- Precedent library\*
- Online research services, including premium LexisNexis case law, legislation and commentary\*
- Installation, training and Helpline support.
