Express Search

One click seamlessly links you to cases, commentary, forms and precedents, journals, online books, legal news and more – all your searching is effectively done for you.

Updated daily

Ensure you receive the most up to date information and minimise risk.

Clear and simple navigation

Simple, clear and easy to use, LawNow takes the hard work out of legislation research.

Authoritative

Sourced from official providers plus quick links to government websites, removing the need to visit multiple sites to cross-check government material.

Current

Clear currency statements on the front page of every piece of legislation including warning alerts to pending events or potential amendments where an Act is affected by a bill, so you'll never miss important changes.

Comprehensive legislative histories

All you need to know about the history of legislation including assents, gazettals and commencement information, with links to amending and repealing provisions.

Access Australia's only fully integrated legal research service that offers access to legislation, cases, commentary, forms and precedents from one site.

"I have been using LexisNexis online for many years ... the company's services are the most up to date and are easy to use. Compared with other legal research companies, the LexisNexis range is the widest."

Karen Walker-Flynn, Wardell Chambers
