

Lexis Affinity Upgrade Training Course

KEY FACTS

Delivery:

Online Seminar

Course Duration:

1.5 hours

Cost:

\$200 (excluding GST)

Course Outline:

The Affinity Upgrade Training course will show you all new features included with the release and what your firm needs to consider when implementing the new features and functionality.

The course covers:

- A complete overview of new features and functionality in Affinity to system administrators, management and/or project team when upgrading from version 6.x to the latest version of Lexis Affinity
- An explanation of changes relating to new system options, user security, and function security

Benefits of attending the course:

- The training will provide your firm with an understanding of all new features in the latest release of Lexis Affinity ensuring you get the maximum benefit from the system and the upgrade.

Course Delivery:

- The course will be delivered via our Webex web conferencing service. Attendees will be provided with an email link which will automatically connect them to the session.
- Audio will be accessed by dialling our conference facility.
- Full course material and handouts will be provided and emailed to each attendee once the course booking has been placed and processed.

Intended audience:

- Any Lexis Affinity user upgrading to the latest version of Affinity from 3.5
- Any staff members responsible for the roll out of the Affinity system including System Administrators and Practice Managers

Pre-requisite knowledge:

- Sound understanding of existing installed version of Affinity
