Flagship Titles

CaseBase® Case Citator

CaseBase Case Citator is Australia's most comprehensive and current case citator, placing more than 500,000 case citations, digests and journal articles at your fingertips. With extensive links to the full text decisions in Unreported Judgments, dozens of Australian and international specialist Reports Series, Journals and CaseSearch (UK), CaseBase is indispensable for case law research.

LawNow® Legislation

LawNow is Australia's only completely inter-linked legal research service that offers legislation, cases and commentary from one site. Covering all Australian jurisdictions and including Australia's largest collection of historical legislation, LawNow delivers superior value. The Express Search feature instantly connects the legislation you need with all your subscribed cases and commentary, including links to and from CaseBase.

Unreported Judgments

This service gives you access to all High Court cases within 24 hours, Supreme Court cases within 48 hours, and selected district court cases within 96 hours of receipt. This service also links to and from other LexisNexis AU research tools like CaseBase. It provides full text judgments for over 156,000 decisions, plus a customised Daily Unreported Judgments Notifier delivered to your email inbox, where you can click directly through to the full judgment.

Halsbury's Laws of Australia™

This comprehensive legal encyclopaedia includes 89 titles, providing a succinct overview of Australian law. Each topic is written and researched by an expert and is intensively checked to ensure accuracy. Commentary on principles of law is supported by extensive references to Australian legislative and judicial authority. Subscribing online offers hyperlinks to LawNow Legislation, Australian Current Law, CaseBase and numerous case report series, providing you with access to full text judgments that allow you to see immediate changes affecting particular areas of the law.

The Australian Encyclopaedia of Forms & Precedents™

This work contains over 4,000 legal forms and precedents in more than 90 subject areas, covering all Australian jurisdictions. Practical introductory notes for each title provide an overview of each subject area, explain the purpose of individual forms, precedents and clauses and indicate where and when each should be used. Precedents are drafted in plain English by experienced practitioners, barristers and academics. Subscribers benefit from a continuing process of development as titles, precedents and forms are added and refined to keep pace with evolving areas of the law.

Australian Law Reports

The Australian Law Reports consist of decisions of the High Court and significant decisions of the Federal and Supreme Courts. It also incorporates the Northern Territory Reports and the Australian Capital Territory Reports. Important judgments are published in the series within weeks of being handed down, and are available in hardcopy and online formats. All judgments contain headnotes written by experienced practitioners.
