Advancing the rule of law around the world is a concept that unifies our company across the globe and is passionately supported by the people of LexisNexis.

LexisNexis Group delivers comprehensive and authoritative legal, business, government and tax information worldwide as an industry leader. We unite proprietary brands, advanced Web technologies, and premium information sources for customers in the legal, corporate, government and academic markets in 100 countries on six continents. With a leading position in the U.S., LexisNexis Group also serves as the market leader in the United Kingdom and the British Commonwealth and as a major publisher in Continental Europe, Asia Pacific and Latin America.

Introducing our suite of
exceptional workflow solutions

LexisNexis® SmartOffice®

Leading technology, accurate information and exceptional research is available within **LexisNexis® SmartOffice**.

Each suite has a range of individual solutions designed to streamline your workflow – driving profitability, helping you work smarter, faster and giving you back more time to do what matters most.

LexisNexis® Practical Guidance

Fast, easy, trusted

Practical Guidance allows you to significantly reduce the time spent researching and preparing a matter. A leap beyond traditional legal research it gives you an intuitive, results-oriented workspace helping you through the completion of tasks, with step-by-step guidance.

It's your everyday resource for essential online legal research allowing you to streamline your work and get straight to the answers you need, faster and more easily.

Designed by practice area and including a range of topics, Practical Guidance gives you access to a broad collection of:

- guidance notes
- commentary
- checklists
- forms and precedents
- cases and legislation

All you need to successfully deal with a legal matter.

Lexis® Draft

Draft smarter and faster

Construct and share legal documents with increased efficiency through our award winning, innovative drafting tool, Lexis® Draft. It helps you reduce the significant portion of your day spent solely on drafting – optimising workflow and increasing professional productivity.

Lexis® Smart Precedents

Document assembly

Lexis Smart Precedents provides accurate, consistent, quality documents in a fraction of the time. Smart Precedents saves you time and money by enabling you to create quality documents, with more speed and accuracy than ever before.

Lexis® Visualfiles™ and Visualfiles for Legal Counsel

Improving your efficiency

Lexis Visualfiles is a powerful, highly scalable case management and workflow solution that is designed to optimise firms' operational efficiencies through the automation and streamlining of processes and tasks.

Lexis® Affinity™

Driving profitability and growth

Flexible and easy to use, Lexis Affinity streamlines everyday work processes into a single system to provide a secure working environment and transparency of business performance, satisfying the needs of the whole practice. It is the trusted practice management solution for law firms across the Asia Pacific region.

LexisAdvance®

Transforming the way you conduct legal research

Lexis Advance is our next generation online delivery of research.

- Natural search and intuitive interface to deliver a comprehensive set of results faster;
- Sophisticated browse-functionality and pre and post search filters to enable you to personalise, analyse and manage your research;
- Accurate, high quality content with improved currency and better management tools.

LexisNexis Red®

Content on the go

LexisNexis Red is our award winning application that allows you to carry and instantly access the most up-to-date legal research and reference materials via your iPad, laptop or Windows PC.

Transform the way you interact with the LexisNexis content you depend on. Reference and annotate confidently whether you are in the office, in court, with a client or commuting.

PCLaw™

Take back your valuable time

PCLaw is an affordable practice management system that provides everything you need in one intuitive, integrated platform. Join thousands of users across the Pacific region who have benefited from the time saving, financial reporting and overall operational efficiency provided by PCLaw.
