

The below is a list of Australian subscription titles included in the format-shifting COVID-19 Offer. A separate list is provided for books included in the Offer, please see our FAQs page.

If a title is not included below, it may be because we are still negotiating its inclusion in the offer with the licensor, or because it is not available in online or digital format. Please also note that the user experience and scope of content may differ between formats (please see notes in the Comments column for more information).

If you have questions about a title that you believe is missing from this list, please contact the COVID-19 email inbox with your query: Formatshiftqueries@lexisnexis.com.au
