Why Lexis Affinity + FeeSynergy?

FeeSynergy's secure platform seamlessly integrates with Lexis Affinity and connects directly to your Affinity database. This enables automatic access to all your historical financial information and means the integrity of your data is ensured as there's never any double keying.

Once Lexis Affinity and FeeSynergy are connected, FeeSynergy will work with you to understand the data and how your firm operates. Your current business rules and customer communications strategy can be easily automated in their platform, or you can lean on FeeSynergy's years of experience to optimise the way you manage your debtors.

Key Benefits

FeeSynergy is fully integrated with Lexis Affinity

FeeSynergy connects directly to your Lexis Affinity database, so all your historical data is available immediately and there is never any double keying of information.

Fee finance with monthly payment options

Get paid in full and on time while giving your clients the flexibility to pay in monthly instalments. Firms that offer FeeSynergy's monthly payment option achieve significant reduction in average debtor days.

Automated email payment reminders

FeeSynergy connects directly to your Lexis Affinity database, so all your historical data is available immediately and there is never any double keying of information.

Invoice presentment

Clients can view a copy of their invoice and statement with a single click 24/7, reducing the billing queries you receive.

Secure online payment gateway

A PCI compliant solution to efficiently facilitate payments via your website, giving your clients confidence.

Partner dashboard and analytics

Get an instant overview of your firms' financial performance so you can see just how much your cashflow has improved.

To find out how you can get debtor days down and your cashflow up, arrange a demonstration today!
