Lexis Advance

R10.2 Release (6 June 2020) – Release notes

"ACCESS" LABEL IN NEWS TAB

"Access" label has been added to News tab for all master features in the format of **{Country} News (Access)**.
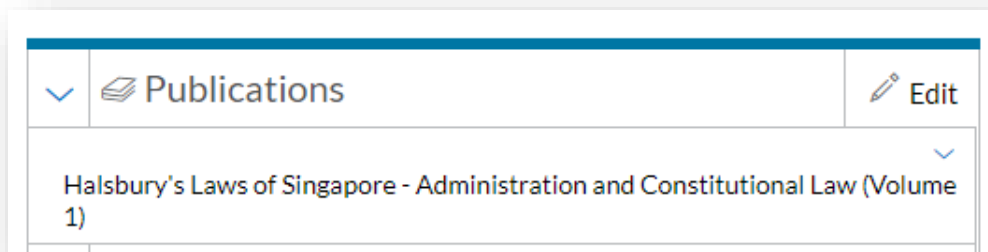

NEW PUBLICATION NAMES UPDATE FOR PUBLICATION POD

Publications pod on both home page and edit view automatically shows updated publication names when publications are renamed.

DEFECT FIXES AND MINOR ENHANCEMENTS

- JCite/CFE change for Queensland Reports

- Search post-filter lazy loading now works when going back from document view via browser back button
