Legal research you can rely on
INTRODUCING LEXIS ADVANCE

Lexis Advance is an innovative online research platform that allows today’s legal professionals to access trusted research from LexisNexis® quickly and easily. Refreshingly intuitive and flexible, Lexis Advance is designed with your efficiency in mind.

Experience the full power of Lexis Advance and gain greater control over your work processes when you integrate with the suite of cutting-edge LexisNexis solutions, including Lexis Red® and Lexis® Draft.

Leading technology, data analytics and expert content enable you to remain competitive and achieve better outcomes.

A REFRESHINGLY EFFICIENT WAY TO CONDUCT YOUR RESEARCH

Lexis Advance allows you to conduct your research intuitively using clever search functionalities. From your home page, you can start your search quickly with the flexibility of the Big Red Search Box or the focus of the Quick Find pod.

The Quick Find pod targets popular research tasks to provide users with instant access to the benefits and power of Advanced Search forms:

• finding cases by name or citation;
• accessing legislation instruments or provisions;
• looking up defined terms; and
• finding articles and commentary based on keywords in headings and titles.

Customise your homepage to deliver direct access to the information you need the most: browse and order your Publications; review your History; curate your Favourites; retrieve your Folders; and check your Alerts.

“Comprehensive and innovative, yet still easy to use.”
Natalie Ledlin, Ledlin Lawyers

Homepage

Some days you’re an expert, some days you’re starting from scratch. With authoritative titles like *Halsbury’s Laws of Australia* and a range of search options to suit your research style, starting with Lexis Advance is always the right choice.

Cutting-edge innovations implemented by local experts deliver a world-class platform tailored to Australian legal research. Start broad and refine as you assess with post-search filters, or jump straight to the document you need; getting answers has never been faster or more intuitive.

Smart technology assesses your search terms for legal phrases and their equivalents. Lexis Advance delivers relevant results to match the intention behind your query, not just the words you typed. We anticipate your research path... and accelerate it!

“Easy to navigate and interpret information presented.”

Belinda Giles, Nova Legal Corporate Lawyers
TURN YOUR RESEARCH INTO IMMEDIATE ACTION

From search inquiry to analysis, to insight, on a platform that anticipates your research path, you can trust your research trail will never go cold.

Key Lexis Advance functionalities:

- Search Term Map: a leap forward in usability, this new feature shows users a colour-coded graphical representation of the distribution of their search terms in each document in their results. Navigate between the top terms in the document without navigating away from your results view for faster assessment, or click through to the document for comprehensive hit highlighting.
- Research Map: A powerful analytical tool that lets you save, manage and backtrack through prior work, compare documents and result sets, and take an overarching view of complex research trails.
- Timeline Filter: A graphical filter that enables you to view the distribution of results over time. You can choose to filter these results by date ranges or toggle the graph to quickly narrow results.

“The research map is especially useful when coping with interruptions.”

Belinda Eisenhauer, Supreme Court Library

TOP 10
LEXIS ADVANCE FEATURES

1. The Red Search Box that does so much for you
   Simple design meets sophisticated technology to deliver answers whether you enter plain English or prefer the control offered by terms and connectors. Search across all available content or target your query to specific source(s) by selecting content from the Publications pod or via a word wheel in the search box. Find a filter combination that works for you, or a tailored query you will want to re-run, and save it as a Favourite or an Alert for one-click access from the homepage.

2. Powerful searching uncovers just the facts you need
   Designed for users who want extra control, Advanced Search Forms allow users to craft multi-faceted queries, such as by combining Catchwords, Judge, and Court.

3. Your homepage enables you to research your way
   Enjoy easy access to the publications you subscribe to, recent searches and history, as well as documents, folders, favourites and alerts, enabling you to customise where you want to start.

4. Collaboration and currency tools to ensure work only every needs to be done once
   Annotate, highlight and share documents in online work folders — documents, text, even search parameters and results. Stay current with notifications when folder documents change and create automated searches to alert you when new content is available.

5. Copy and paste made easy
   Save time and help colleagues with the ability to paste deep links and hyperlinked case citations directly into an email or document; feel confident knowing that you can access the source with a single click.

6. CaseBase Case Citator
   Fully integrated with full text judgments, CaseBase is your first port of call for case law research. Deep historical coverage of Australian law combines with all the relevant UK, NZ and Asian content you need for a comprehensive database of over 700,000 documents, updated daily. Packed with features to help users cut through the volume of cases to find what they need: interactive graphical filters; colour-coded treatment annotations and signals; and the ‘search within tables’ field designed to triage long lists of subsequent citing judgments based on users’ keywords.

7. Review your research – history list and research map
   Refresh your memory on previous investigations and thought processes without missing a beat. Your search history, search terms, documents, sent emails and other activities are automatically saved in your history for up to 90 days. Review your history as a list or choose a graphical map view to retrace your search, refine it, compare results and find similar documents.

8. Mobile access that doesn’t require an app
   Choose your mobile device — smartphone, tablet or laptop. Lexis Advance automatically adapts to fit your screen on any device.

9. Streamlined user management
   LexisNexis Account Centre is a user-friendly interface for administrators and invoice contacts to manage their Lexis Advance users and accounts. It can be accessed via Lexis Advance or via a direct URL using your Lexis Advance ID and Password.

10. Improve your visibility on billing information
    LexisNexis Account Centre also brings comprehensive LexisNexis billing data and invoice images to your desktop. With secure online access, LexisNexis legal research billing has never been easier.
